

WS-960P Power Supply

SC-611R

General

The SC-611R WS-960P power supply is for the CNS-6201 or CNS-6801A central monitor. It connects the PU-621R or PU-681RA central monitor processing unit to a WS-960P recorder unit. It also supplies power from an AC outlet to the recorder unit.

Safety Information

For safety information, refer to the Operator's Manual or Installation Guide of the device using this product.

This Safety and Performance Information is an extract from the general and safety information sections of the most recent edition of Operator's Manual or Installation Guide. Therefore, the contents of your Operator's Manual or Installation Guide may differ from those of this Safety and Performance Information. For detailed operating procedures, follow the instructions of your Operator's Manual or Installation Guide.
